

# **SANI-SHIELD® and SANI-SCRUB®**

## **Benefits and Selling Points**

- 1.** Newly-patented products clean, shield & protect surfaces in 1-Step!
- 2.** The “spray & wipe” SANI-SHIELD cleans 99.9% of organic soil & biofilms with each use.
- 3.** SANI-SCRUB removes 99.9% of the toughest dirt, grime, hard water mineral deposits, rust and stains.
- 4.** They simultaneously shield surfaces with invisible water, soil and stain repellent barrier coatings for easier next-time cleaning.
- 5.** They protect surfaces against the growth of odor-causing bacteria, mold and mildew in-between cleaning.
- 6.** SANI-SHIELD & SANI-SCRUB keep surfaces sanitary; improve surface hygiene.
- 7.** Products are user, surface and earth safe; great on glass, porcelain, ceramics, stone, laminates, plastics and polished metals.
- 8.** No surfactants or biocides are left on surfaces; keeping them cleaner and brighter longer.
- 9.** They provide extraordinary coverage on surfaces; SANI-SHIELD = 4,000 sq. ft. per gallon, SANI-SCRUB = 1,000 sq. ft. per 18 fl. oz. bottle.
- 10.** Save time, labor and the cost of unnecessary chemicals!
